

Our Successes

Front St. Inc. has provided residential and treatment services in Santa Cruz County for over 30 years. We began serving Veterans in 2010. By opening Paget Center in early 2012, Front St. Inc. has been able to continue to provide high quality support services to Veterans in need of a structured residential environment.

Front St. Inc. has demonstrated success by connecting eligible Veterans to benefits and transitioning the vast majority to more permanent housing. Many of the veterans we work with had been homeless for many years before coming to Paget Center. They credit this program with helping them acquire the support they need to succeed.

Our Community

Our Services

*P*aget Center is a Veteran housing program that provides emergency housing to 14 homeless Veterans for up to 60 days. Our goal is to “leave no man behind” by linking Veterans to services and benefits that help them find employment and permanent housing.

Our program is administered by Veterans for Veterans. Many of our staff have made the difficult transition from military to civilian life. The mission of our program is to help end homelessness among Veterans.

Like most aid-stations placed strategically behind combat zones, Paget Center stands poised to receive Veterans who are in need of support and treatment.

Paget Center offers comprehensive services that help alleviate homelessness among Veterans. The program is designed to help Veterans develop important life skills as they ready themselves to live more independently.
